Patrol & Response

-  It's 3am and you receive a phone call saying that your intruder alarm has activated again! Are you sick and tired of having to return to work to check that everything is ok?
-  Do you worry about holding business-critical keys, passwords and access codes at home?
-  Are you putting yourself & your employees in potentially dangerous situations each time you attend an alarm, alone?

If you answered *YES* to any of the above, you need an approved security company who will respond 24-hours a day, 365 days a year.
